ScreenGuide Parental Control app allows you to set parental controls and configure rules for the safe, fun, and educational use of tablets and smartphones – while minimizing potential risks such as cyberbullying, inappropriate content consumption, and overexposure to screens. To set up and start managing your child's school device, just follow the steps below:

1 Start by downloading the ScreenGuide app on your personal device – you can look for the app on the App Store (for iOS devices) or Play Store (for Android devices), or by visiting **http://screen.guide/download**.
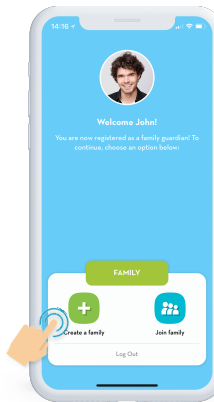

**2** Enter your email to create your account.
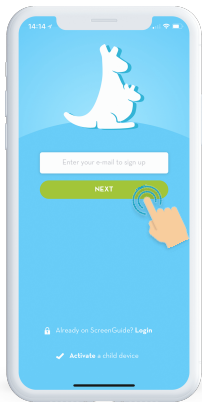

3 Fill out your account info and click "**SIGN UP**".
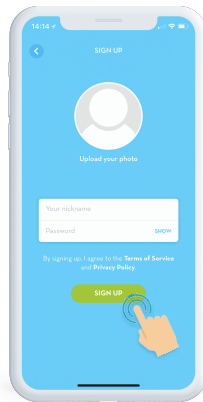

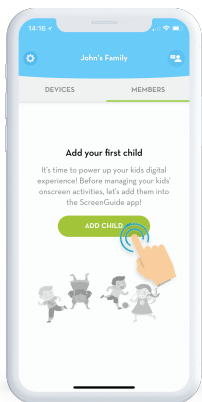

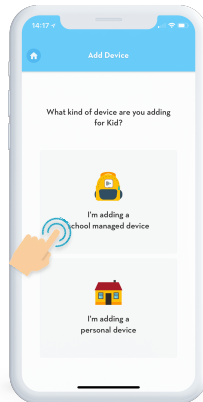

4 Click "**CREATE A FAMILY**" to continue.

5 Type your family name and click "**CREATE**".
6 Next, add your child to your account.

7 Select "**I'm adding a school managed device**".

8 Using the browser on your child's device, access the **http://screen.guide/connect**

9 You will be redirected to the Mosyle Manager app – enter your ScreenGuide login credentials:
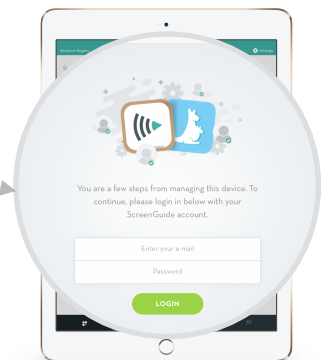

Once you login with your ScreenGuide **account info, within the Mosyle Manager app, you'll be prompted to enter a passcode in order to connect your child's school-managed device to your** ScreenGuide **account. Enter the passcode shown here:**
